⚠ WARNING !!!!

This is a product designed for applications developers, THIS IS NOT A VIP PACKAGE

If you wish to use an application such as bazarr or jellyfin, it is a **VIP package you need to purchase**

In order to consume our API, you first need to register a consumer here

Find our API documentation here: <https://opensubtitles.stoplighlight.io/>

You don't have any consumers yet

NEW CONSUMER

Pro services

To obtain a larger daily quota without user authentication, you can purchase an API package here

Important

- Make sure everything works as expected before purchasing, you can fully test your API key up to 100 downloads per d.

步骤 7: 填写应用信息

填写您的应用信息：

- **Name:** 应用名称 (如：Movie Learning Tool)
- **Description:** 应用描述

填写完成后点击 **Save** 保存

* Name

tyg...lt

Pick a name to differentiate your consumer; this name must be unique and use alphanumerical characters only.

Description
